Mr. Keller

Mr. Jim Keller, or known as "Keller" to his adored students, came to WHS in 1999. Since walking through the doors of Old Main, he has been considered the "jester" of the school. Whenever you needed to put a smile on your face, merely hanging out with Keller would do the trick.

Mr. Keller's knack for motivating goes well beyond the walls of his classroom. He has coached basketball and volleyball as well as working with Fish and Wildlife to implement various projects for the students of WHS.

Early in the school year, Mr. Keller suffered a stroke. Many experts told him that he may never again walk or even regain his ability to fully communicate. With typical "Keller" wit, he defied his prognosis and was walking, not to mention joking, in only 6 months. Though he has taught many memorable lessons in his time here, it is this particular lesson in pride and resilience that defines the man simply known as "Keller".

HOMECOMING DEDICATEES

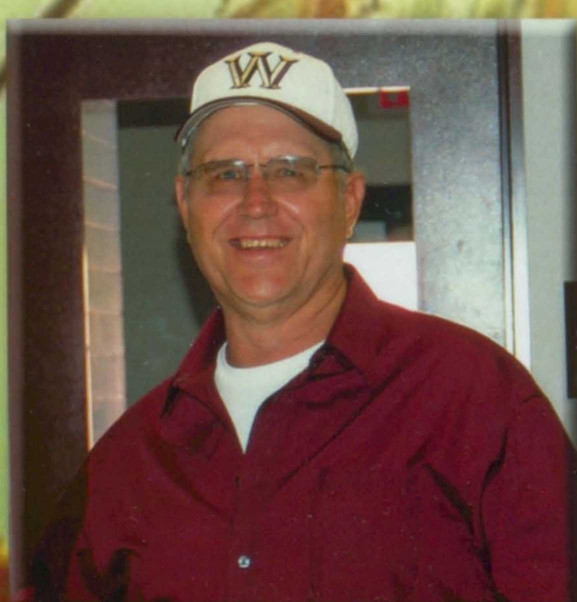

DENIS PETERS

Our dedicatee is a 1975 graduate of Winslow High School. Thirty-four years ago he was a member of track, defensive captain of the football team, running back, line backer, recognized All State in football and wrestling, editor of the Bulldog Barks, a Student Council member, Vice-President of Honor Society, president of Key Club and W-Club and a top scholar in his class. He was Homecoming King in 1974 and was recognized as the All-Around Athlete at Winslow High School. After graduation, he received his Doctorate of Veterinary Medicine at Colorado State University and returned to Winslow, the community he loved.

Thirty-four years later, he maintains a legacy with Winslow High School as a leader, scholar and man of service. He exemplifies the adage of "once a Bulldog, always a Bulldog".

We are proud to honor Dennis Peters as the 2009-2010 Homecoming Dedicatee for Winslow High School.

JOE BENHAM

Our dedicatee is a man who was born a Bulldog and proves it everyday with all the time and effort he dedicates to WHS. While attending WHS, he played baseball and quarterbacked the football team. He was a Homecoming King candidate in 1968.

After graduating from WHS with the Class of 1969, he played baseball at Phoenix College. He married his high school sweetheart and eventually returned home. Three daughters later, he is now watching his grandchildren on the football and baseball fields.

Just to mention a few of his recent ventures.....

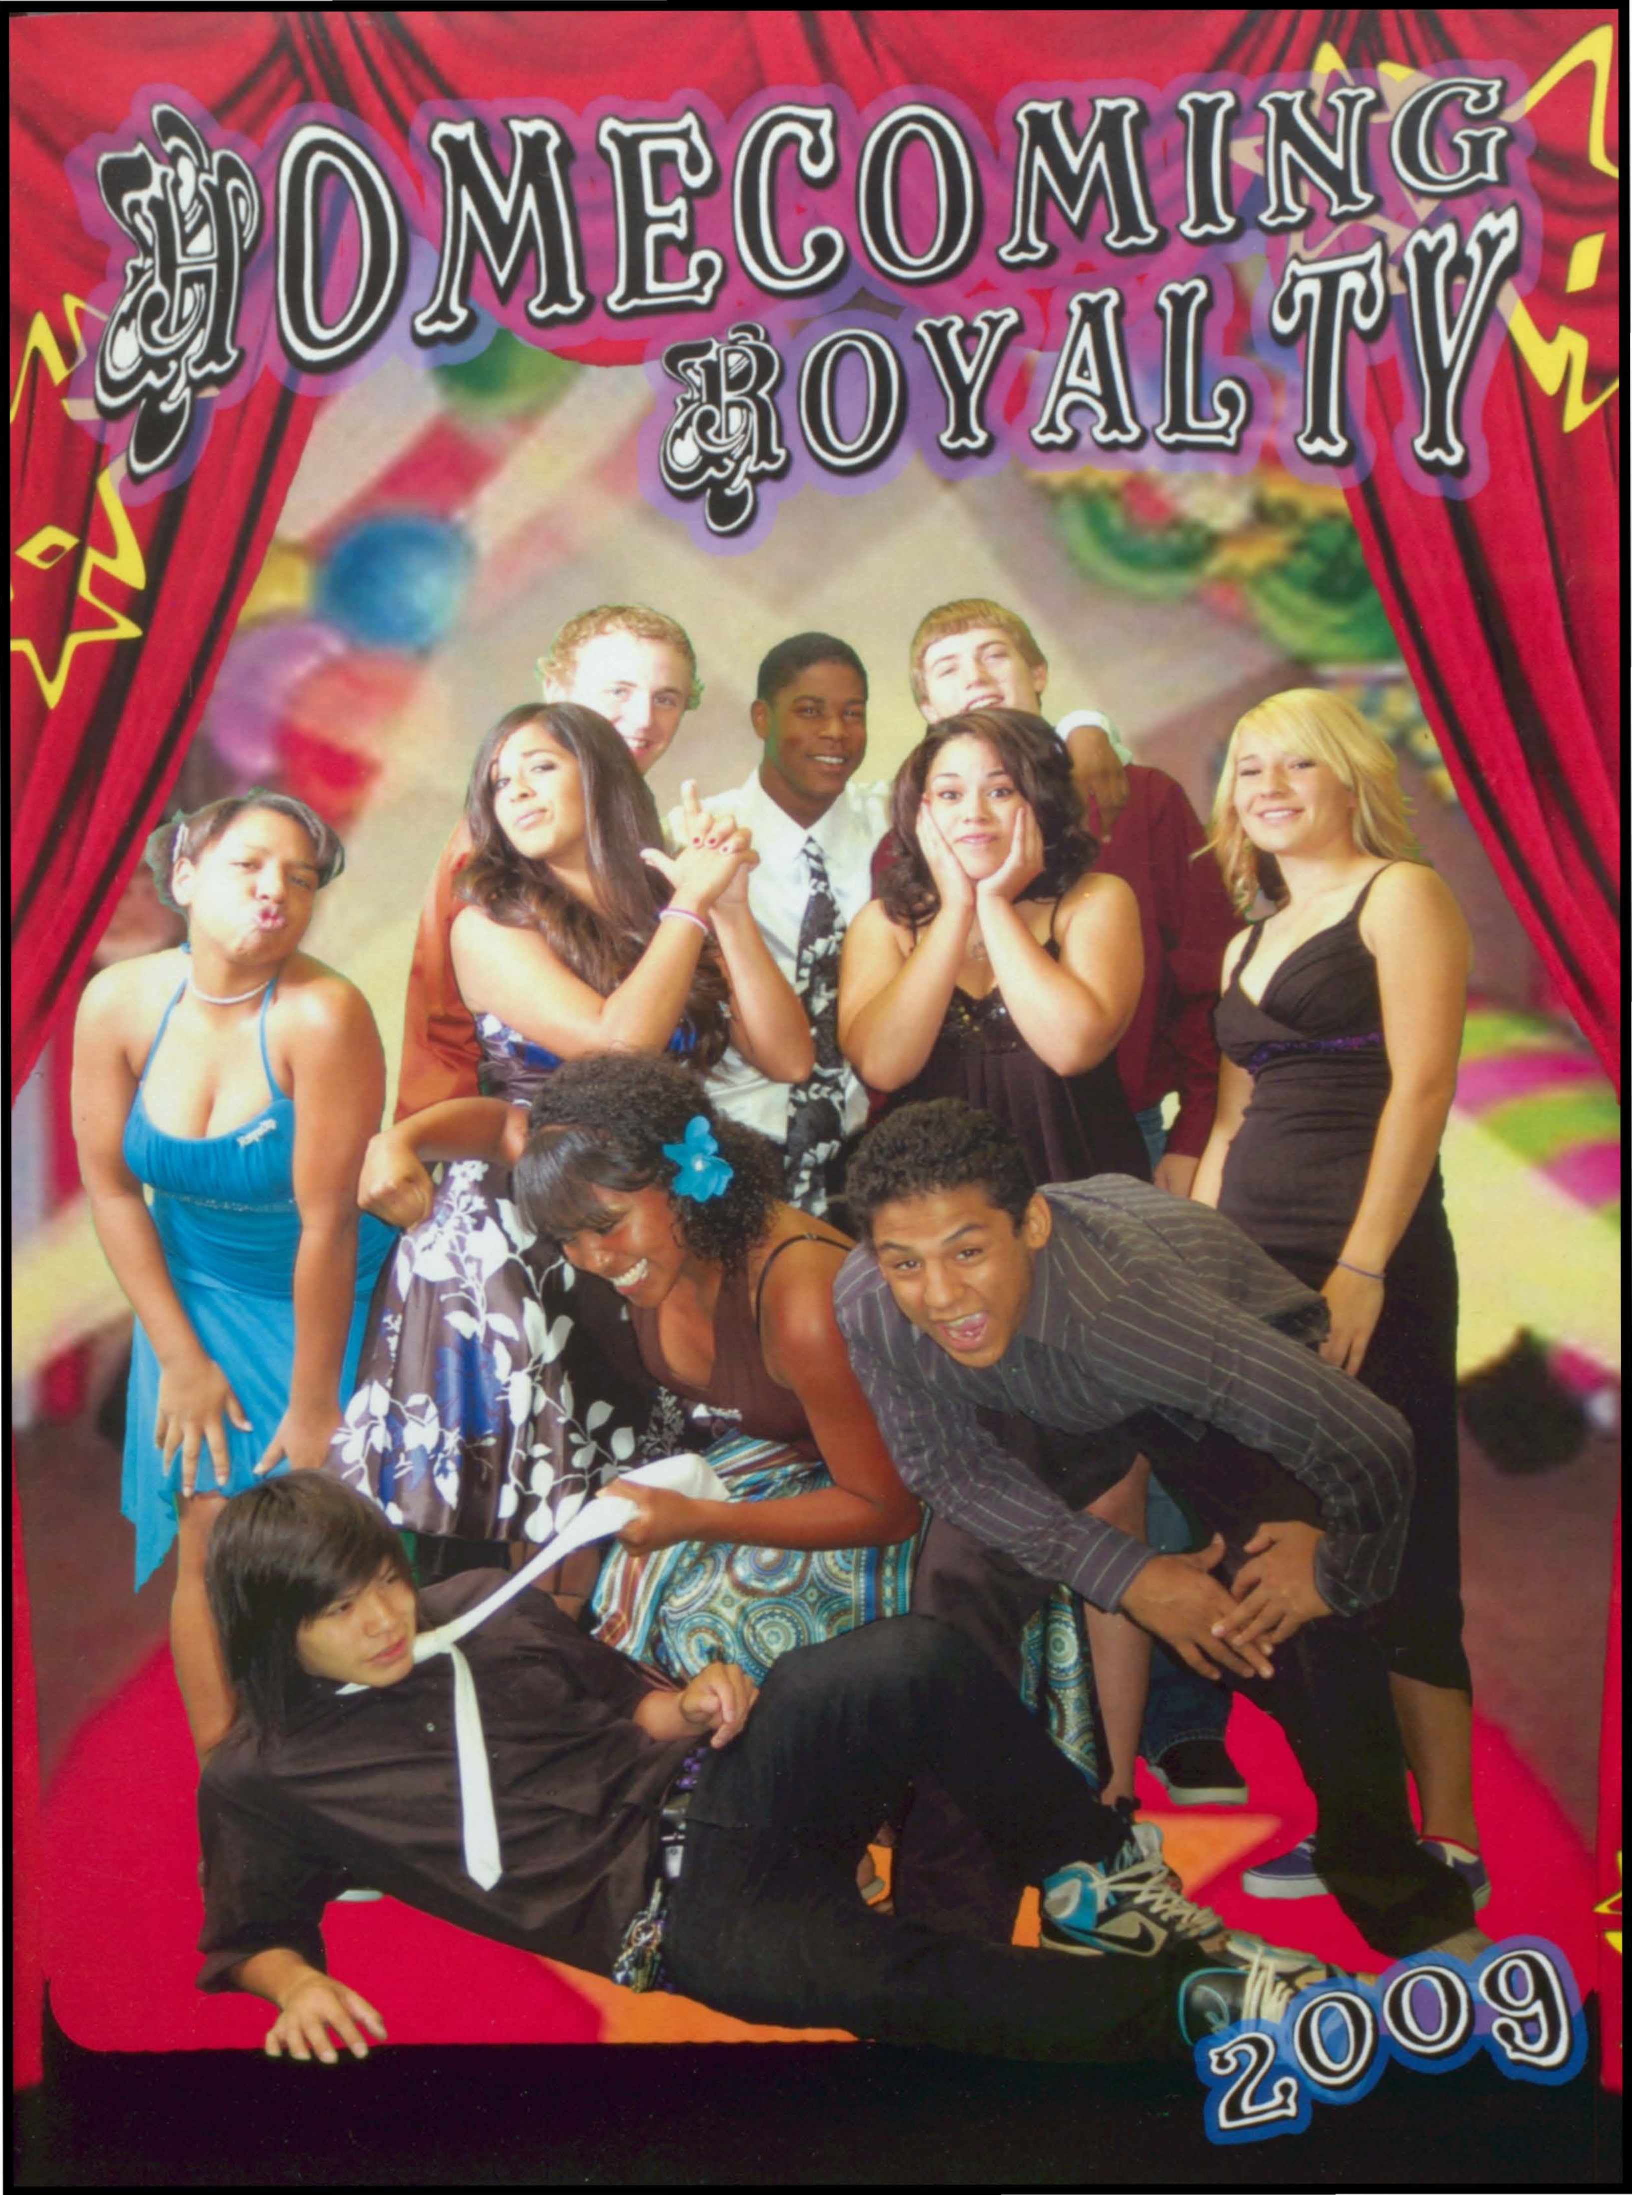

he was instrumental in establishing the Wall Of Fame and has created all the plaques for it;

he has helped with numerous proms;

he made the new Bulldog painting and sign for the boys locker room;

he is currently serving on the Emil Nasser Football Foundation and just finished putting the bronze plaques on the "rock"

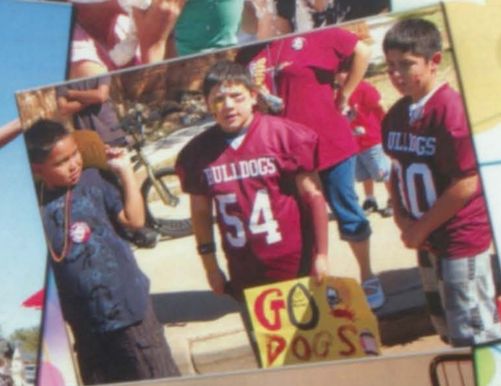

Thank you Joe Benham for all that you do for WHS, its students and our district.

A Word From the Editors

We would like to thank everyone that
participated in the creation of this yearbook.
We realize that we could be a bit too
tough to the members of the yearbook staff.
We have been a part of this staff for three
years, and it has been fun using our
experience to make the 2009-2010 yearbook.
It is hard to imagine that we're not going
to be here to help out Mrs. Long next year,
but we know the yearbook is going
to be in good hands. To all the underclassmen,
we hope that you enjoy the years to come
at WHS. And trust us when we say that it is
going to go by fast. We hope that you
have a great time looking through
the yearbook, and we hope that it will
bring back memories in the years to come.
And finally we would like to say
CONGRATULATIONS to the class of 2010!
